

# Google Maps Visibility Audit: A-Z Garage Doors and More

1643 Winchester Ave, Lakewood, OH 44107 · (216) 956-2012 · azgaragedoorsandmore.com

Prepared Thu Oct 8, 2026 by Josh Finer, Finer Technologies · Searches run from downtown Cleveland on Thu Oct 8, 2026, ~4:42 PM ET

## The 30-second version

- **Your reviews are strong:** 5★, with 216 of your 216 reviews at 5 stars.
- **But you sit at #4 for "garage door repair"** when searched from downtown Cleveland.
  - Compared with the top 3: no booking link on your Google profile (1 of the 3 has one); your homepage title ("A-Z Garage Doors and More | Enhance Your Home Today") doesn't mention your city; no tap-to-call phone link on your homepage.
- **Quick fixes:**
  1. Add a booking or quote-request link to your Google profile.
  2. Tighten the homepage for "garage door repair" + city.

## 1. Where you show up on Google Maps

| Search (from downtown Cleveland) | Your position | #1                                  |
|----------------------------------|---------------|-------------------------------------|
| garage door repair               | #4 of 109     | First Solution Garage Door Services |
| garage door opener repair        | #3 of 100     | First Solution Garage Door Services |
| garage door spring repair        | #2 of 100     | First Solution Garage Door Services |

Grid check (25-point coverage map): not checked for this audit.

## 2. You vs. the top 3 ("garage door repair", downtown Cleveland)

|                         | You (#4)                                                                        | #1 First Solution Garage Door Services | #2 Precision Overhead Garage Door | #3 Expert Door       |
|-------------------------|---------------------------------------------------------------------------------|----------------------------------------|-----------------------------------|----------------------|
| Rating                  | 5★                                                                              | 5★                                     | 4.9★                              | 4.8★                 |
| Google reviews          | 216                                                                             | 2                                      | 2,399                             | 23                   |
| 1★ reviews              | 0                                                                               | 0                                      | 43                                | 1                    |
| Photos                  | 549                                                                             | 101                                    | 58                                | 6                    |
| Primary category        | Garage door supplier                                                            | Garage door supplier                   | Garage door supplier              | Garage door supplier |
| Extra categories        | Door supplier, Gutter service, Repair service, Spring supplier, Window supplier | none                                   | none                              | none                 |
| Hours listed            | Mon–Fri 7 AM–5 PM; Sat 8 AM–2 PM; Sun closed                                    | 24 hours, 7 days                       | 24 hours, 7 days                  | 24 hours, 7 days     |
| Booking link on profile | no                                                                              | no                                     | yes                               | no                   |
| Profile claimed         | yes                                                                             | yes                                    | yes                               | yes                  |

Distance from the searcher is part of how Google ranks Maps results, and you can't change it. What you can change: relevance (categories, services, website) and prominence (reviews, photos, activity).

## 3. Website (mobile)

| Check                         | Result                                                                |
|-------------------------------|-----------------------------------------------------------------------|
| Page title                    | ⚠️ "A-Z Garage Doors and More   Enhance Your Home Today"              |
| Main headline (H1)            | ⚠️ no H1 found on homepage                                            |
| Tap-to-call link              | ⚠️ none found on homepage                                             |
| LocalBusiness schema          | ✅ found                                                               |
| Suburb/area coverage          | ⚠️ homepage mentions 0 nearby suburbs                                 |
| HTTPS                         | ✅                                                                     |
| Mobile speed (Lighthouse lab) | Performance 31/100 · SEO 100/100 · LCP 20.7 s · page weight 3,970 KiB |

## 4. What I'd fix first

1. **Add a booking or quote-request link** to your Google profile (your contact/quote page works if you don't use online booking). (5 min)
2. **Website relevance:** put "Garage Door Repair" and "Cleveland" in the homepage title; change the main headline (H1) to name the service and city; add an "Areas we serve" section with the suburbs you actually cover; make the phone number a tap-to-call link; speed up the mobile homepage (lab score 31/100).

No one can guarantee rankings. These fixes target what you control.

## How this was measured

- **Google Maps rankings:** DataForSEO Google Maps API, desktop, English, Google location "Cleveland, OH" (downtown point), "garage door repair" to depth 109, pulled **Thu Oct 8, 2026 ~4:42 PM ET**. Opener and spring searches pulled the same way.
  - Rankings move by searcher location, device and time. This is a snapshot, not a guarantee.

- **Profile data** (rating, star breakdown, photo count, categories, hours, booking link, claimed status) comes from the same Maps results.
- **Website:** homepage HTML check plus Google Lighthouse 12 on mobile (simulated slow 4G, single lab run from our server). Real visitors may see different speeds.
- Anything marked **(verify)** is an inference we couldn't confirm from the data.
