

# Google Maps Visibility Audit: Integrity Garage Doors

8044 Hwy 52 W, Westmoreland, TN 37186 · (615) 688-3667 · integritygaragedoorstn.com

Prepared Thu Oct 8, 2026 by Josh Finer, Finer Technologies · Searches run from downtown Nashville on Thu Oct 8, 2026, ~4:42 PM ET

## The 30-second version

- **Your reviews are strong:** 4.7★, with 27 of your 29 reviews at 5 stars.
- **But you sit at #106 for "garage door repair"** when searched from downtown Nashville.
  - Compared with the top 3: you list no extra Google categories (#1 lists 7); your profile shows weekends closed while 2 of the top 3 list 24/7; your homepage title ("Integrity Garage Doors - Westmoreland, TN") doesn't mention your city.
- **Quick fixes:**
  1. Add 2–3 accurate extra categories to your Google profile.
  2. Tighten the homepage for "garage door repair" + city.
  3. Make sure your profile hours match when you actually answer the phone.

## 1. Where you show up on Google Maps

| Search (from downtown Nashville) | Your position | #1                       |
|----------------------------------|---------------|--------------------------|
| garage door repair               | #106 of 124   | OGD Overhead Garage Door |
| garage door opener repair        | #98 of 100    | OGD Overhead Garage Door |
| garage door spring repair        | #94 of 100    | Oasis Garage Doors       |

Grid check (25-point coverage map): not checked for this audit.

## 2. You vs. the top 3 ("garage door repair", downtown Nashville)

|                         | You (#106)                        | #1 OGD Overhead Garage Door                                                                                                            | #2 Nashville Up & Down Door Services | #3 Oasis Garage Doors             |
|-------------------------|-----------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------|-----------------------------------|
| Rating                  | 4.7★                              | 4.6★                                                                                                                                   | 4.9★                                 | 5★                                |
| Google reviews          | 29                                | 280                                                                                                                                    | 9                                    | 147                               |

| Primary category        | Garage door supplier              | Garage door supplier                                                                                                                   | Garage door supplier                 | Garage door supplier              |
| Extra categories        | none                              | Contractor, Door supplier, Garage builder, Material handling equipment supplier, Property maintenance, Repair service, Spring supplier | none                                 | none                              |
| Hours listed            | Mon–Fri 8 AM–4 PM; Sat–Sun closed | 24 hours, 7 days                                                                                                                       | 24 hours, 7 days                     | Mon–Fri 8 AM–6 PM; Sat–Sun closed |
| Booking link on profile | no                                | no                                                                                                                                     | no                                   | no                                |
| Profile claimed         | yes                               | yes                                                                                                                                    | yes                                  | yes                               |

Distance from the searcher is part of how Google ranks Maps results, and you can't change it. What you can change: relevance (categories, services, website) and prominence (reviews, photos, activity).

## 3. Website (mobile)

| Check                         | Result                                                               |
|-------------------------------|----------------------------------------------------------------------|
| Page title                    | ⚠️ "Integrity Garage Doors - Westmoreland, TN"                       |
| Main headline (H1)            | ⚠️ no H1 found on homepage                                           |
| Tap-to-call link              | ✅ 6156883667                                                         |
| LocalBusiness schema          | ✅ found                                                              |

| Mobile speed (Lighthouse lab) | Performance 46/100 · SEO 92/100 · LCP 12.8 s · page weight 3,129 KiB |

## 4. What I'd fix first

1. **Add extra categories.** You list only "Garage door supplier". The top 3 also use: Contractor, Door supplier, Garage builder, Material handling equipment supplier, Property maintenance, Repair service, Spring supplier. Add only the ones that are true for your business. (5 min)
2. **Website relevance:** put "Garage Door Repair" and "Nashville" in the homepage title; change the main headline (H1) to name the service and city; add an "Areas we serve" section with the suburbs you actually cover; speed up the mobile homepage (lab score 46/100).
3. **Hours:** if you take calls evenings or weekends, list those hours. Profiles shown as closed can drop out of "open now" searches. (Only list hours you really answer.)

No one can guarantee rankings. These fixes target what you control.

## How this was measured

---

- **Google Maps rankings:** DataForSEO Google Maps API, desktop, English, Google location "Nashville, TN" (downtown point), "garage door repair" to depth 124, pulled **Thu Oct 8, 2026 ~4:42 PM ET**. Opener and spring searches pulled the same way.
  - Rankings move by searcher location, device and time. This is a snapshot, not a guarantee.
- **Profile data** (rating, star breakdown, photo count, categories, hours, booking link, claimed status) comes from the same Maps results.
- **Website:** homepage HTML check plus Google Lighthouse 12 on mobile (simulated slow 4G, single lab run from our server). Real visitors may see different speeds.
- Anything marked **(verify)** is an inference we couldn't confirm from the data.
