

Google Maps Visibility Audit: Williams Garage Door Services

service-area business (no public address) · (888) 533-9960 · williams-garagedoor.com

Prepared Thu Oct 8, 2026 by Josh Finer, Finer Technologies · Searches run from downtown Kansas City on Thu Oct 8, 2026, ~4:42 PM ET

The 30-second version

- **Your reviews are strong:** 4.8★, with 27 of your 29 reviews at 5 stars.
- **But you sit at #34 for "garage door repair"** when searched from downtown Kansas City.
 - Compared with the top 3: your homepage title ("Trusted Garage Door Experts in Cleveland OH - Williams Garag...") doesn't mention your city; no LocalBusiness schema on your homepage.
- **Quick fixes:**
 1. Tighten the homepage for "garage door repair" + city.

1. Where you show up on Google Maps

Search (from downtown Kansas City)	Your position	#1
garage door repair	#34 of 146	Kansas City Garage Door Repair
garage door opener repair	#61 of 100	Precision Overhead Garage Door Service
garage door spring repair	#53 of 100	Kansas City Garage Door Repair

Grid check (25-point coverage map): not checked for this audit.

2. You vs. the top 3 ("garage door repair", downtown Kansas City)

	You (#34)	#1 Kansas City Garage Door Repair	#2 Overhead Door Company of Kansas City	#3 A Plus Garage Doors
Rating	4.8★	5★	4.3★	4.9★
Google reviews	29	10	110	13
1★ reviews	1	0	14	0
Photos	15	15	15	1
Primary category	Garage door supplier	Garage door supplier	Garage door supplier	Garage door supplier
Extra categories	Service establishment	none	none	none
Hours listed	24 hours, 7 days	24 hours, 7 days	24 hours, 7 days	not listed
Booking link on profile	no	no	no	no
Profile claimed	yes	yes	yes	no

Distance from the searcher is part of how Google ranks Maps results, and you can't change it. What you can change: relevance (categories, services, website) and prominence (reviews, photos, activity).

3. Website (mobile)

Check	Result
Page title	⚠️ "Trusted Garage Door Experts in Cleveland OH - Williams Garage Door Services"
Main headline (H1)	⚠️ no H1 found on homepage
Tap-to-call link	✅ (888) 533-9960
LocalBusiness schema	⚠️ not found (only: BreadcrumbList, EntryPoint, ImageObject, ListItem)
Suburb/area coverage	✅ homepage mentions 6 nearby suburbs (Independence, Blue Springs, Liberty, Raytown)
HTTPS	✅
Mobile speed (Lighthouse lab)	not checked

4. What I'd fix first

1. **Website relevance:** put "Garage Door Repair" and "Kansas City" in the homepage title; change the main headline (H1) to name the service and city; add LocalBusiness schema (address, hours, area served).

No one can guarantee rankings. These fixes target what you control.

How this was measured

- **Google Maps rankings:** DataForSEO Google Maps API, desktop, English, Google location "Kansas City, MO" (downtown point), "garage door repair" to depth 146, pulled **Thu Oct 8, 2026 ~4:42 PM ET**. Opener and spring searches pulled the same way.
 - Rankings move by searcher location, device and time. This is a snapshot, not a guarantee.
- **Profile data** (rating, star breakdown, photo count, categories, hours, booking link, claimed status) comes from the same Maps results.
- **Website:** homepage HTML check plus Google Lighthouse 12 on mobile (simulated slow 4G, single lab run from our server). Real visitors may see different speeds.
- Anything marked **(verify)** is an inference we couldn't confirm from the data.
