Google Maps Visibility Audit: EA TREE SERVICE

7102 Plumleaf Rd, Raleigh, NC 27613 · +1919-961-1855 · https://www.eatreeservicesnc.com/

Prepared Sat Oct 10, 2026 by Josh Finer, Finer Technologies · Search run for "tree service" with Google location "Raleigh, NC"

The 30-second version

- **Your reviews are strong:** 5★ across 50 Google reviews (50 of them 5-star).
- **But you sit at #33 for "tree service"** in Raleigh. #1 is Tree Men Services LLC.
  - Compared with the top 3: no booking/quote link on the Google profile (1 of the top 3 has one); no extra Google categories (the top 3 list up to 1); homepage title ("Ea Tree Service in North Carolina | Tree service") doesn't mention Raleigh.
- **Quick fixes:**
  1. Add accurate extra categories to your Google profile.
  2. Add a booking or quote-request link to your Google profile.
  3. Tighten the homepage so Google connects it to "tree service" + your area.

1. You vs. the top 3 ("tree service", Raleigh)

	You (#33)	#1 Tree Men Services	#2 ArborMax Tree Service	#3 Arbol Complete Tree Service
Rating	5★	4.9★	4.7★	4.7★
Google reviews	50	188	241	23
Photos	39	96	67	59
Primary category	Tree service	Tree service	Tree service	Tree service
Extra categories	**none**	none	none	Landscaper
Hours listed	Mon–Sat 6 AM–8 PM; Sun 10 AM–4 PM	Mon–Sun 6 AM–10 PM	24 hours, 7 days	Mon–Sun 6:30 AM–9:30 PM
Booking link on profile	**no**	no	yes	no

Distance from the searcher is part of how Google ranks Maps results, and you can't change it. What you can change: relevance (categories, services, website) and prominence (reviews, photos, activity).

2. Website (homepage)

Check	Result
Page title	⚠️ "Ea Tree Service in North Carolina | Tree service"
Main headline (H1)	⚠️ "ABOUT US"
Tap-to-call link	⚠️ none found on homepage
LocalBusiness schema	✅ found
HTTPS	✅

3. What I'd fix first

1. **Add extra categories.** You list "Tree service" only. The top 3 also use: Landscaper. Add only the ones that are true for your business. *(5 min)*
2. **Add a booking or quote-request link** to your Google profile. Your contact/estimate page works if you don't use online booking. *(5 min)*
3. **Website relevance:** put "Tree Service" and "Raleigh" (or your home town) in the homepage title; make the main headline (H1) name the service and area; make the phone number a tap-to-call link.

No one can guarantee rankings. These fixes target what you control.

How this was measured

- **Google Maps ranking:** DataForSEO Google Maps API, desktop, English, Google location "Raleigh, NC", "tree service" to depth 40, pulled **Sat Oct 10, 2026 ~1:45–2:10 PM ET**.
  - Rankings move by searcher location, device and time. This is a snapshot, not a guarantee.
- **Profile data** (rating, photo count, categories, hours, booking link) comes from the same Maps results.
- **Website:** homepage HTML check from our server on the same day.
- Anything marked **(verify)** is an inference we couldn't confirm from the data.
